of experiments with increasing complexity of which the final test was on Sept. 26,1996 were conducted in order to understand the basis of cryogenic engine in a phased manner. Whereas the initial tests were conducted with gaseous Hydrogen and gaseous Oxygen, the final tests were conducted with liquid Hydrogen and liquid Oxygen as needed for an operational engine. With this test the series on subscale programme have been concluded after meeting all the objectives envisaged.

(c) The inputs from these tests form the engineering data base useful for development of a cryogenic stage of 7.5 tonne thrust rating for use in GSLV.

Jobs to Land Oustees

118 SHRI ASHOK PRADHAN : Will the PRIME MINISTER be pleased to state :

(a) whether the NTPC has acquired the agriculture land of local rural people for its power project at Dadri in Uttar Pradesh;

(b) if so, the details thereof;

(c) whether there is a provision to employ these people whose land has been acquired for the purpose;

(d) if so, the number of such people who have been appointed so far; and

(e) the work done for the proper development of this area?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) and (b). The Uttar Pradesh Government had acquired the land for he power project of National Thermal Power Corporation (NTPC) at Dadri. 1524 acres of land had been acquired, out of which 67% was barren, waste and water logged.

(c) Subject to requirement/vacancies and suitablility, preference is given to Project Affected Persons in recruitment.

(d) The number of land oustees appointed so far is as under :-

Unskilled	:	137
Skilled	:	44

(e) The following works have been completed for the development of this area :-

1. Approach roads to villages.
2. Kharanja/drains in certain villages.
3. Construction of schools.
4. Construction of UP-Kendras (Jachha-Bachha Kendra)
5. The land oustees are being provided training in Computer Software application, training in motor driving and typing training with a view to equip the land oustees for taking up employment.
6. Allotment of shops and awarding contracts for petty works.

Non-conventional Energy Sources—Maharashtra

119. SHRI DATTA MEGHE : Will the PRIME MINISTER be pleased to state :

(a) whether power is being generated through Non-conventional Energy Sources in Maharashtra;

(b) if so, the details thereof and the quantum of energy being generated;

(c) if not, whether the Government have explored the possibility of electricity generation through Non-Conventional Energy Sources in the State; and

(d) if so, the details thereof plan-wise?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) and (b). 16.3 MW of power is being generated through non-conventional energy sources based on wind, small hydro, bagasse co-generation and solar photovoltaics in Maharashtra State.

(c) Does not arise.

(d) Of the cummulative power generation capacity installed in the State, 11.62 MW has been installed during the 8th Plan period while the balance was installed prior to the 8th Plan.

INSAT-2 Satellite

120. SHRI SRIBALLAV PANIGARHI : Will the PRIME MINISTER be pleased to state :

(a) the losses suffered by India due to postponement of contractual payments for INSAT-2 launch services;

(b) the reasons for the postponement and whether any responsibility has been fixed in this regard; and

(c) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI YOGINDER K.ALAGH) : (a) No losses have been suffered due to postponement of one milestone of the contractual payments for INSAT-2 launch services.

(b) The postponement was done to adjust the cash flow during the Financial Years 1995-96 and 1996-97.

(c) The payment related to one of the milestone payments in the INSAT-2E Launch Services Contract which was due in February 1996 valued about US $ 20.4 million (about Rs.72 crores). Because of the need to restrict the cash flow for Department of Space in 1995-96, the payment was shifted by two months to April 1996 that is, to 1996-97. There is no impact on the launch schedule nor any penalty payment as a result of the postponement in the payment.

State Power Projects

121. SHRI D.P. YADAV : Will the PRIME MINISTER be pleased to state :

(a) whether a meeting of State Power Ministers was held recently in Delhi;

(b) whether Government have empowered the State Governments to give environmental clearance to all power projects;

(c) if so, the number of projects which have been cleared by the State Government of Uttar Pradesh after the decision taken in the meeting; and

(d) the total expenditure estimated to be incurred thereon by the State Government?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) Yes, Sir. A meeting of Chief Ministers/Energy Ministers was held on 16.10.1996 in New Delhi.

(b) No, sir.

(c) and (d). Do not arise.

World Bank Threat

122. SHRI G.M. KUNTURKAR : Will the PRIME MINISTER be pleased to state :

(a) whether the World bank has suspended the funds to the State Government of Maharashtra due to its failure to maintain the conditions laid down by the World Bank;

(b) if so, the details thereof; and

(c) the remedial measures thereof?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) and (b). The World Bank has suspended further withdrawal from Loan 3498-IN for Second Maharashtra Power project with effect from 22.10.1996 mainly due to the inability of the Maharashtra State Electricity Board (MSEB) to achieve an annual return of 4.5% of the average net value of its fixed assets in operation and to reduce its commercial account receivables to less than 2.5 months of revenue.

(c) The matter could be taken up with the World Bank by Government of India for revocation of suspension only on MSEB complying with certain specific conditions laid down by the Bank for which Government is pursuing with the Government of Maharashtra.

Gas Cylinders

123. SHRI SOUMYA RANJAN : Will the PRIME MINISTER be pleased to state :

(a) whether some units are selling gas cylinders of 250gm. to 5 kg;

(b) if so, whether this is being done on the basis of the norms fixed by the Government;

(c) whether cases of accidents have come into notice as a sequence thereof; and

(d) the preventive measures taken by the Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T.R. BAALU): (a) Public Sector Oil Marketing Companies are marketing LPG in cylinders having capacity of 14.2 KG., and 47.5. However with the amendment of LPG Control Order in 1993, Marketeers of LPG can market LPG in gas cylinders of any size shape, design and weight other than those specified for marketing of LPG by public sector undertakings.

(b) to (d). Specifications of the gas cylinder valves, pressure regulators, size, shape, design an weight of cylinder to be used by parallel marketeers are given in the LPG Control Order, 1993. The offices of the Chief Controller of Explosives and Bureau of Indian Standards enforce the compliance of such specifications.
